## VALENTINES DAY'S

I wonder what would have become of me if you were not with me. I cannot even imagine a life without your love now. Your love is the sunshine that shines everyday of my. life. You are the rain that falls and refreshes me.

You brighten my days

Will...

**Every February 14th** we celebrate a special date with love, Valentine's Day. Over the years, it has become a tradition where couples take the opportunity to celebrate together this day full of romanticism and special details.
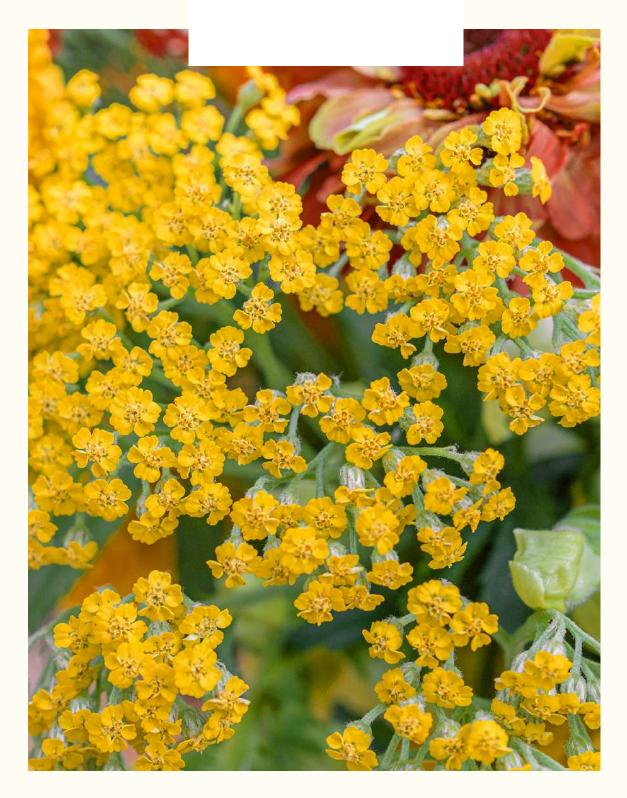

# VALENTINES DAY'S FLOWER SELECTION BY BALL SB

# SNAPDRAGON

The snaps are seen as graceful flowers but with inner strength and fire within.

# ACHILLEA

Achillea is a symbol of protection, considered a symbol of beauty in humility.
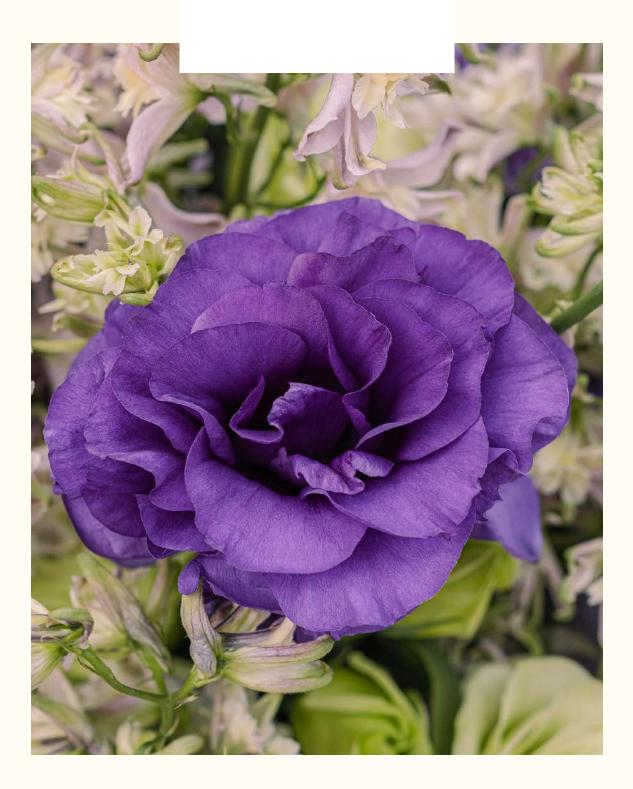

# DAHLIA

Considered one of the most beautiful flowers in the world. Its unique appearance and beauty reminds us of the beauty of women.

# GODETIA

Godetia flowers, in the language of flowers Godetia symbolizes committed and passionate love. Therefore, giving this flower as a gift is a clear message of unwavering fidelity, respect and admiration for the loved one.

# LISIANTHUS

It symbolizes deep and sincere love, and the desire of love in the couple.

# ECHINACEA
## Double Scoop Bubblegum

This variety of echinacea flowers has an orange cone in the center which is surrounded by rosy pink and purplish shade of petals around it. Along with symbolizing strength, this color of the flower also symbolizes success. It would be a great gifting option to someone who has succeeded in some sphere of their life. This color also signifies admiration and could be given to anyone you look up to and admire.

# ALSTROEMERIA

Symbol of something very important, lasting friendship. Each flower has six petals and each petal is symbolic of one of the most important facets of friendship: patience, understanding, commitment, respect, humor and empathy.

# LIMONIUM

## Passion Red

Limonium symbolizes remembrance, success, sympathy and beauty and brings to our homes the fresh feeling of being warm with that special someone.
